

CLERK: Nothing further on the bill, Mr. President.

SPEAKER NICHOL: Senator Haberman.

SENATOR HABERMAN: Mr. President and members of the body, I would move for advancement of the bill to E & R.

SPEAKER NICHOL: Any further discussion on the advancement of the bill? Senator Barrett, did you wish to discuss the bill any further?

SENATOR BARRETT: I think it has been well discussed, Mr. President.

SPEAKER NICHOL: All right.

SENATOR BARRETT: Thank you.

SPEAKER NICHOL: The question is the advancement of LB 48. All those in favor vote aye, opposed nay. Have you all voted? Record, Mr. Clerk, please.

CLERK: 32 ayes, 1 nay, Mr. President, on the motion to advance the bill.

SPEAKER NICHOL: LB 48 advances. I would like to take this opportunity to introduce you to a special guest of Senator Smith under the north balcony. It is her son, Kent Smith, and would you please rise and be welcomed by the Legislature. Thank you. We are glad to have your mother with us. Senator DeCamp is not here for the day so it looks like we will be skipping over 179 and I understand he will be back tomorrow. LB 86. Senator Wesely, are you about to come back? Was anyone else authorized to handle Senator Wesely's bill, number 86? We will move on to LB 224 and handle that while we are waiting for Senator Wesely to come back.

CLERK: Mr. President, 224 offered by the Constitutional Revision and Recreation Committee and signed by its members. (Read title.) The bill was read on January 16 of this year. It was referred to the Constitutional Revision Committee for hearing. The bill was advanced to General File. I have no amendments to the bill.
